

DAY 19 – BREAKTHROUGH THROUGH PRAYER

SCRIPTURE: 2 CHRONICLES 7:14

DEVOTIONAL THOUGHT:

Breakthrough isn't found in trying harder—it's found in praying harder. God responds to humility. He responds to repentance. He responds when His people seek His face—not His perks, not His blessings—Him.

Breakthrough starts in the secret place before it ever shows in the public place. Revival is not a one-time moment; it's the result of people who consistently call on God with hungry hearts.

REFLECTION QUESTIONS:

- Where do you need breakthrough most?
- Have you tried to force your way through instead of pray your way through?
-

PRACTICAL APPLICATIONS:

- **Pray 10 extra minutes** today for breakthrough.
- **Fast one meal** and use that time to pray.
- **Pray for our city**—revival starts with one intercessor.
- **Write down the breakthrough you're believing for.**

DAY 19 – BREAKTHROUGH THROUGH PRAYER

PRAYER

Lord, I humble myself before You. Bring breakthrough in my life, my family, my church, and my city. Move in ways only You can. Stir revival in my heart and in our community. Hear my prayer today. Amen.
