

## DAY 12 – GOD'S WORD IS ALIVE

### SCRIPTURE: HEBREWS 4:12

### DEVOTIONAL THOUGHT:

The Bible isn't an old, dusty book—it's a living voice. God speaks through it. He guides, corrects, comforts, strengthens, and revives through Scripture.

In a world full of opinions, noise, and trending advice, God's Word anchors your spirit. Revival always begins with people who return to Scripture—not just to read it, but to be shaped by it.

Every time you open your Bible, you give God permission to work in you.

### REFLECTION QUESTIONS:

- Am I reading Scripture to check a box or to hear God's voice?
- Which verse has encouraged me recently?

### PRACTICAL APPLICATIONS:

- **Read one chapter today**—write the sentence that stands out.
- **Put your Bible in a visible place** to keep it in reach.
- **Choose one verse to memorize** this week.
- **Set a 5-minute timer** and read until it goes off.
