

## DAY 16 – HUMILITY IS STRENGTH

**SCRIPTURE:** PHILIPPIANS 2:3

**DEVOTIONAL THOUGHT:**

Humility isn't thinking less of yourself—it's thinking of yourself less. Pride tries to make everything about us—our preferences, our feelings, our control. Humility shifts the spotlight back to Jesus.

A humble person is teachable, approachable, kind, and service-minded. God trusts humble people with His presence because humility makes room for Him to work.

Revival flows best through hearts that don't need the credit.

### REFLECTION QUESTIONS:

- Who can I serve today without needing recognition?
- Where has pride been slowing down my growth?

### PRACTICAL APPLICATIONS:

- **Do one act of kindness secretly.**
- **Listen more than you speak** in one conversation today.
- **Admit when you're wrong** without defending yourself.
- **Thank someone** who helped you grow.

## DAY 16—HUMILITY IS STRENGTH

### PRAYER

Jesus, give me a humble heart. Remove pride, selfishness, and ego from my spirit. Help me serve, love, and lead like You do. Make me more like You today. Amen.
