

DAY 8 – HOLY SPIRIT POWER

SCRIPTURE: ACTS 1:8

DEVOTIONAL THOUGHT:

Jesus didn't tell the disciples, "Try your best and see what happens." He told them to wait for the Holy Spirit—because without Him, they didn't stand a chance.

The Holy Spirit isn't an accessory to the Christian life. He's the engine.

HE GIVES YOU:

- Courage to obey
- Strength to endure
- Power to pray
- Wisdom to decide
- Sensitivity to hear His voice
- Boldness to love people well

Here's the fun part: The Holy Spirit doesn't make you spooky... He makes you effective. He empowers you to live beyond your natural abilities. Revival always follows a fresh filling of the Spirit.

REFLECTION QUESTIONS:

- Have you been relying more on your strength or His?
- Where do you need the Spirit's power today?

PRACTICAL APPLICATIONS:

- **Pray first thing in the morning:** "Holy Spirit, fill me and lead me today."
- **Take one courageous step**—encourage someone, pray for someone, speak life.
- **Pause midday** and ask, "Holy Spirit, what are You saying right now?"
- **Say yes quickly** to the Spirit's nudges.

DAY 8 – HOLY SPIRIT POWER

PRAYER

Holy Spirit, I welcome You today. Fill me with Your power, Your courage, and Your wisdom. Lead me, strengthen me, and use me in ways I can't do on my own. Make me sensitive to Your voice and bold in Your calling. Amen.
