

Number 34 Prayers

Jesus, I thank You that You have ordained an inheritance for me and my family as Your children. I declare that every enemy spirit occupying my promised land must flee in Jesus' name. Lord, align my heart and my family's heart with Your will and timing so I may walk within the borders You have set. Guard us from desiring anything outside of Your perfect plan, and protect our generations from spiritual loss. Strengthen the leaders You've placed in our lives, guiding them to hear Your voice and faithfully lead. I declare that every promise You've spoken for me and my family will come to pass, and I will possess the land You have prepared for us, to the glory of Your name, Jesus. Amen.
