Week One: Dream

Read: 11 Samuel 7:1-17 | Text: 11 Chronicles 28:20

As we look at the example of David wanting to build the Temple for God's glory, we learn some powerful lessons about moving forward with courage, the life and mission that God has for us.

Here are some questions to discuss as we apply God's Word to our hearts and lives:

- 1. What was David's motivation for wanting to build a temple for God? What would be some right and wrong motives for us moving forward?*
- 2. Why did David charge Solomon to have courage and not fear? What damage can our fears do with our dreams of moving forward with the plans God has put in our hearts?*
- 3. How did David handle God's answer through the prophet Nathan? What could be some potential setbacks that we might face and how should we handle them?*
- 4. What covenant did God make with David when He gave him the answer of "no"? What covenant has God given us that guarantees our success moving forward?*

5. How did David invest his life for a great cause even though he would never see it fulfilled in his lifetime? What are some ways God wants us to invest our lives for Him moving forward?

6. What legacy did David establish with his son, Solomon, and the nation of Israel? How can our "moving forward" establish a legacy with the next generation?

7. How can we pray for each other as we, by faith, move forward for God?
