1 Corinthians 11:23-26

***Truth #1: If we are out of fellowship with God,
we are out of fellowship with God's family***

***Truth #2: If we are out of fellowship with God's
family, we are out of fellowship with God***

The Corinthian Solution: Do nothing

The Solution: Confront Sin

The Issue Behind the Scenes:

1. The audience is the believers in Corinth
2. It involves something they know, but don't apply
3. Sin is hindering the celebration
 - A. *The purpose has been changed*
 - B. *The purpose is now self-motivated*
 - C. *Selfishness leads to ungodly actions*
 - D. *Ungodly actions come from an ungodly attitude*

Changing Perspective/Changing Attitude:

The Plan: Uncomfortably highlight the sacrifice of Christ

The Emphasis: Remember what Christ did for you

The Result: Live in light of reality
