

Legacy – Part 3

It's important that God's Word continues after the message. At Celebrate, we find that you will quite often talk over this week's message long after our experience is over. That's because God has impact. The Sermon Discussion Guide is designed to help you continue the conversation all week.

Changed people change people. The more we realize we have been crucified with Christ, and the more we live by the faith of the Son of God, and not just in our own strength (*Galatians 2:20*), the more impact we can have on others.

If our hearts desire is to leave a lasting legacy, the landscape of our legacy should include the following:

OUR COMPASSION

How are we more like Christ when we are filled with compassion for others? What does it mean to forgive someone “seventy-seven times” or “seventy times seven”? Are things like mercy and grace easily identified in your Christian walk?

Matthew 9:36-38; Matthew 18:22-33; Luke 10:30-37

OUR DESIRE

How should having Christ in our heart change our desires? Because Jesus “came to serve and give his life for many”, what should be our desire(s)? How do we as Christians overcome temptation and sin in our lives?

Mark 8:34-38; Mark 10:42-45; Galatians 5:24

OUR HEART ATTITUDE

How does our heart attitude determine our actions? What is the blessing of being pure in heart? How can we remain clean in our hearts?

Matthew 5:8; Mark 7:19-21; Mark 12:29-31

Where does the strength and ability to leave a legacy by living like this come from?

Colossians 1:27; Acts 1:8; 2 Corinthians 12:9
