

It's important that God's Word continues after the message. At Celebrate, we find that you will quite often talk over this week's message long after our experience is over. That's because God has impact. The Sermon Discussion Guide is designed to help you continue the conversation all week.

### **How to Dream Big – God BIG**

*“God is looking for a people through whom He can do the impossible. But what a pity, that we plan only the things, we can do by ourselves.” -A.W. Tozer*

We cannot **SETTLE**.

When God's people settle, they don't experience the fullness of what He has in store for them. When we focus on our plans, not only are we disobedient, but we miss out on the amazing power of our big, big God! What do you believe God can do? Are you content with where God has you, or do you feel a call on your life to follow His lead?

*Genesis 11:1-2; Hebrews 11:6; Ephesians 3:20-21; Matthew 28:18-20; 2 Peter 3:9*

We cannot SETTLE **FOR ANYTHING LESS**.

Pastor Keith reminded us, that it is either **Your Way** or **Yahweh**. We cannot choose complacency over conviction. When it comes to you and God, you do NOT know best!

Do you pursue comfort over Christ? Do you lean on your own understanding, and not seek out God's will in your life? Do you focus on your achievements or do you give thanks to God for His amazing blessings?

*Genesis 11:3-4; Isaiah 64:6; Proverbs 3:5-6; Proverbs 16:18*

We cannot SETTLE FOR ANYTHING LESS **THAN GOD**.

God wants to do something with eternal consequences. This will not happen if we do things in our power or for our glory. What have you done in your life that failed because you did not include God in your plans? What have you done in your life that was successful, because you started with prayer, and sought His will throughout the process?

*Genesis 11:5-8; Proverbs 127:1*
