

CELEBRATE CULTURE-Worship

It's important that God's Word continues after the message. At Celebrate, we find that you will quite often talk over this week's message long after our experience is over. That's because God has impact. The Sermon Discussion Guide is designed to help you continue the conversation all week.

“For the time is coming and is already here, when by the power of God's Spirit people will worship the Father as He really is, for this is the true worship that He wants. John 4:23.

God desires that we fellowship with Him through true worship. We should be the performers and God should be the audience. To truly worship God we need to understand some keep points.

Three Keys to God WORSHIP:

1. God Worship is about REFOCUSING our HELP.

True worship is not what- but WHO.

Read *Romans 8:31-39*; *1 John 4:4*; and *1 Corinthians 15:57* and discuss how knowing who we are IN CHRIST helps us develop a heart of worship.

2. God Worship is about REFRAMING our HOPE.

Victor Frankl, an Austrian psychiatrist and holocaust survivor, said: “Everything in life can be taken from a man but one thing: the last of all human freedoms-to choose one's attitude in any given set of circumstances.”

As Christians, what attitude should we choose no matter what our circumstances are? How should that affect our worship?

Psalms 118:24; John 16:33; 2 Corinthians 4:16-18

3. God Worship is about REFLECTING His HEART.

Why is it so important to the world that Christians maintain an attitude of worship?

John 12:32; Acts 2:46-47; 2 Corinthians 5:17-20

What's Next

- Ask yourself what pre-conceived thoughts or traditions have you had about worship that may have been keeping you from true worship.
- Decide to spend more time in worship with the Gift Giver.
- Come into His presence to give to Him, not get from Him.
