

Banners- The Principle of Faith

By Keith Loy

It's important that God's Word continues after the message. At Celebrate, we find that we will quite often talk over this week's message long after our experience is over. That's because God has impact. The Sermon Discussion Guide is designed to help you continue the conversation all week.

The Principle of FAITH

Pastor Keith stated that life is a product of the choices we make. He quoted "We make our decisions and our decisions make us."

The PROBLEM:

We are double-minded. When we stand on home plate (Significance) we tend to look toward third base (Success) or even second (Someone-to share life with) instead of first base (Self-respect/Faith). Satan seduces us with people and things of this world that we can see/touch to lure us into running the bases in the wrong order.

What people or things is Satan luring you with to tempt you to run the bases in the wrong order?
What does the Bible say we should do?

2 Corinthians 5:7; 2 Corinthians 4:18; Romans 12:2

The PRESCRIPTION:

God is the only prescription for the problems we make.

What does the Bible say we can do to overcome our problems? Are there changes you need to make in your life in order to put God first? If so, what are they?

James 1:5; James 1:22; 2 Chronicles 7:14

The PROMISE:

God's ways will always exceed anything of this world. Keith stated that if we compromise to get something then what we get will never be what we hoped for/expected.

What are God's promises in the Bible?

Jeremiah 29:11; Philippians 4:19; Romans 10:9
