

It's important that God's Word continues after the message. At Celebrate, we find that you will quite often talk over this week's message long after our experience is over. That's because God has impact. The Sermon Discussion Guide is designed to help you continue the conversation all week.

How to Live a L.I.F.E. of Worship

Let God lead your life.

According to the Bible, how we can allow God to lead our lives? How is prayerful submission to God an act of worship? Does this biblical understanding cause you to redefine what you previously thought about worship?

Romans 12:1; Luke 10:25-28; Proverbs 3:5-6; Hebrews 11:6; Proverbs 16:3; Colossians 4:2; John 15:5

Imitate the life of Christ.

How do we show our reverence for God through imitating Christ? What does Jesus's prayer in the garden say about how to worship God with our attitude?

John 13:13-17; Matthew 26:39

Forgive others.

How does offering forgiveness to others edify your ability to worship God? How might withholding forgiveness diminish our worship?

Matthew 6:14-15; Matthew 5:21-24; Colossians 3:12-13

Exercise your gifts.

How might you use your gifts and abilities in a way that would please the Lord? How do we keep ourselves "from being polluted by the world." as we exercise our gifts? How can you intentionally bring worship into every area of your life?

Romans 12:6; James 1:27; James 1:22

What's Next

- We've learned that the Bible's definition of worship is not restricted just to singing music at church. Think of how you can adjust your actions and attitude in order to let worship flow through your daily life.
- Giving love and encouragement to others is an act of worship. Look around you for those in need, and seize opportunities to reflect the love of Christ.
- Nothing can ever substitute the power of prayer. God loves you dearly, and He wants to hear from you and speak to you. So pray!
