

## Hatch'M- Part 3

It's important that God's Word continues after the message. At Celebrate, we find that you will quite often talk over this week's message long after our experience is over. That's because God has impact. The Sermon Discussion Guide is designed to help you continue the conversation all week.

We first prepare our children for life by setting a good example in the home. One important thing to do is discuss and decide the purpose and principles that home will abide by. What are the purposes and principles of your home?

*Joshua 24:15; Proverbs 24:3-4; 1 Timothy 3:5*

How do you recognize a teaching moment? What is the right way to address it? Discuss how the purposes and principles of your home influence how and what you'll teach your children.

*Deuteronomy 6:6-9; Isaiah 54:13; Ephesians 6:4; 2 Timothy 3:16-17*

Why is it just as important to pray for your child's mate as it is to pray for your child?

*Genesis 2:18; Proverbs 18:22; Mark 11:24*

The world may tell us to date, but it's clear that the Lord tells us to wait for His timing to deliver a perfect mate. What happens when we force this and don't wait on the Lord? How has this changed the way our society dates and mates?

*Psalms 27:14; Isaiah 30:18; Micah 7:7*
