**WHAT IN THE WORLD IS
GOING ON?**

3 Things Not to be Unaware Of

There are 3 things that God says He does not want us to be ignorant (unaware) of:

1. His working with the Nation of Israel - (Romans 11)
2. Spiritual Gifts - (1 Corinthians 12)
3. His Second Coming (which means Last Days, for that is when He comes, in the Last Days of earth) - (1 Thessalonians 4)

- *Romans 11:25–26 (NKJV)* ⁵ For I do not desire, brethren, that you should be ignorant of this mystery, lest you should be wise in your own opinion, that blindness in part has happened to Israel until the fullness of the Gentiles has come in. ²⁶ And so all Israel will be saved, as it is written: “The Deliverer will come out of Zion, And He will turn away ungodliness from Jacob;
- *1 Corinthians 12:1 (NKJV)* ¹ Now concerning spiritual gifts, brethren, I do not want you to be ignorant:
- *1 Thessalonians 4:13–18 (NKJV)* ¹³ But I do not want you to be ignorant, brethren, concerning those who have fallen asleep, lest you sorrow as others who have no hope. ¹⁴ For if we believe that Jesus died and rose again, even so God will bring with Him those who sleep in Jesus. ¹⁵ For this we say to you by the word of the Lord, that we who are alive and remain until the coming of the Lord will by no means precede those who are asleep. ¹⁶ For the Lord Himself will descend from heaven with a shout, with the voice of an archangel, and with the trumpet of God. And the dead in Christ will rise first. ¹⁷ Then we who are alive and remain shall be caught up together with them in the clouds to meet the Lord in the air. And thus we shall always be with the Lord. ¹⁸ Therefore comfort one another with these words.

Peace – Comfort one another that Jesus is Coming for His Bride.

1 Thessalonians 4:16–18 (NKJV) ¹⁶ For the Lord Himself will descend from heaven with a shout, with the voice of an archangel, and with the trumpet of God. And the dead in Christ will rise first. ¹⁷ Then we who are alive *and remain* shall be caught up together with them in the clouds to meet the Lord in the air. And thus we shall always be with the Lord. ¹⁸ **Therefore comfort one another with these words.**

(Revelation 3:10 NKJV) "Because you have kept My command to persevere, **I also will keep you from the hour of trial** which shall come upon the whole world, to test those who dwell on the earth.

Priority – What is really important based on all these things?

Matthew 6:33 (NKJV) ³³ **But seek first the kingdom of God** and His righteousness, and all these things shall be added to you.

Purity – How then should we live based on these things.

1 John 3:2–3 (NKJV) ² Beloved, now we are children of God; and it has not yet been revealed what we shall be, but we know that when He is revealed, we shall be like Him, for we shall see Him as He is. ³ **And everyone who has this hope in Him purifies himself, just as He is pure.**

Proof – That this Bible is Inspired.

2 Timothy 3:16–17 (NKJV) ¹⁶ **All Scripture is given by inspiration of God**, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness, ¹⁷ that the man of God may be complete, thoroughly equipped for every good work.

Preach – Tell the world the Good News – They need to hear it!

John 3:16–17 (NKJV) ¹⁶ For God so loved the world that He gave His only begotten Son, that whoever believes in Him should not perish but have everlasting life. ¹⁷ For God did not send His Son into the world to condemn the world, but that the world through Him **might be saved.**

Revelation 13:1–2 (NKJV)

¹ Then I stood on the sand of the sea. And I saw a beast rising up out of the sea, having seven heads and ten horns, and on his horns ten crowns, and on his heads a blasphemous name. ² Now the beast which I saw was like a leopard, his feet were like the feet of a bear, and his mouth like the mouth of a lion. The dragon gave him his power, his throne, and great authority.

Daniel 7:24–25 (NKJV)

²⁴ The ten horns are ten kings Who shall arise from this kingdom. And another shall rise after them; He shall be different from the first ones, And shall subdue three kings. ²⁵ He shall speak pompous words against the Most High, Shall persecute the saints of the Most High, And shall intend to change times and law. Then the saints shall be given into his hand For a time and times and half a time.

Daniel 9:27 (NKJV)

²⁷ Then he shall confirm a covenant with many for one week; But in the middle of the week He shall bring an end to sacrifice and offering. And on the wing of abominations shall be one who makes desolate, Even until the consummation, which is determined, Is poured out on the desolate.”

E.U. Moves Closer to a Joint Military Force

By STEVEN BRUNELLE NOV 13, 2017

BRUNELLE — The European Union took an important step on Monday toward a substantive defense capability, as 12 of the 28 member countries signed on to a program of joint military investment in equipment, research and development.

The intention is to jointly develop European military abilities and to make them available for operations separately or in concert with NATO. The effort also aims to reduce the fragmentation of European military spending and to promote more joint projects to reduce duplication and waste.

ABOARD COTAM UNITÉ (FRANCE'S AIR FORCE ONE) — Europe must reduce its dependency on the United States and avoid getting dragged into a confrontation between China and the U.S. over Taiwan, French President Emmanuel Macron said in an interview on his plane back from a three-day state visit to China.

Speaking with POLITICO and two French journalists after spending around six hours with Chinese President Xi Jinping during his trip, Macron emphasized his pet theory of “strategic autonomy” for Europe, presumably led by France, to become a “third superpower.”

New UN-backed legal recommendations normalize sex with minors, outraged critics say

'Children may consent to sex with adults. This has been the plan all along,' social media influencer charges

New Mexico Rep. Stefani Lord discusses how New Mexico lawmakers are proposing a bill that allows chemical castration of sex offenders for parole on 'Tucker Carlson Tonight.'

A shocking report issued by international legal experts with the backing of the [United Nations](#) appears to open the floodgates to normalize sex with minors.

CBN THE 700 CLUB CBN NEWS FAITH KIDS LISTEN ABOUT [CONTACT US](#) [LOGIN](#) [GIVE NOW](#)

Among the many issues listed in the report, several media outlets and organizations noticed one line that claims minors can consent to sex with adults.

On page 22, the report said: *"With respect to the enforcement of criminal law, any prescribed minimum age of consent to sex must be applied in a non-discriminatory manner. Enforcement may not be linked to the sex/gender of participants or age of consent to marriage. Moreover, sexual conduct involving persons below the domestically prescribed minimum age of consent to sex may be consensual, in fact, if not in law. In this context, the enforcement of criminal law should reflect the rights and capacity of persons under 18 years of age to make decisions about engaging in consensual sexual conduct and their right to be heard in matters concerning them."*

"Pursuant to their evolving capacities and progressive autonomy, persons under 18 years of age should participate in decisions affecting them, with due regard to their age, maturity and best interests, and with specific attention to non-discrimination guarantees."

The ICJ also argued against any restrictions on LGBT and trans "rights" in several countries, stating: "No one may be held criminally liable for conduct or status based on their gender identity or gender expression. This includes gender identities and forms of gender expression that are perceived not to conform to societal expectations or norms relating to gender roles, the sex assigned to a person at birth or a male-female binary, among others."

In addition, the ICJ says all laws forbidding "sex work", also known as prostitution, should be changed. Critics say "sex work" often involves sex trafficking in which the victims are abused and deceived into believing they're performing "work."

The group also opposes all restrictions on abortion, writing: *"Criminal law may not proscribe abortion. Abortion must be taken entirely out of the purview of the criminal law."*

Welcome to the United Nations

****UNAIDS Report**

I want to read something on behalf of our colleagues at the Joint United Nations Programme on HIV/AIDS (UNAIDS), because there has been a lot of — how to say — malicious misreporting on a recent report on the age of legal consent. And I can tell you that the report released by the International Commission of Jurists in March has recently been misrepresented on a number of websites. It did not call for the decriminalization of sex with children, nor did it call for the abolition of the age of consent. The International Commission of Jurists report set out legal principles to guide the application of the international human rights law to criminal law across a range of issues. In the application of law, it is recognized that criminal sanctions are not appropriate against adolescents of similar ages for consensual non-exploitative sexual activity. So, too, it is recognized that adolescents should not be prevented from accessing health services, which protect them. The UN is resolute in fighting the sexual exploitation of children, upholds that sexual exploitation and abuse of children is a crime, and supports countries to protect children.

Revelation 13:1–8 (NKJV)

¹ Then I stood on the sand of the sea. And I saw a beast rising up out of the sea, having seven heads and ten horns, and on his horns ten crowns, and on his heads a blasphemous name. ² Now the beast which I saw was like a leopard, his feet were like the feet of a bear, and his mouth like the mouth of a lion. The dragon gave him his power, his throne, and great authority. ³ And I saw one of his heads as if it had been mortally wounded, and his deadly wound was healed. And all the world marveled and followed the beast. ⁴ So they worshiped the dragon who gave authority to the beast; and they worshiped the beast, saying, “Who is like the beast? Who is able to make war with him?” ⁵ And he was given a mouth speaking great things and blasphemies, and he was given authority to continue for forty-two months. ⁶ Then he opened his mouth in blasphemy against God, to blaspheme His name, His tabernacle, and those who dwell in heaven. ⁷ It was granted to him to make war with the saints and to overcome them. And authority was given him over every tribe, tongue, and nation. ⁸ All who dwell on the earth will worship him, whose names have not been written in the Book of Life of the Lamb slain from the foundation of the world.

Revelation 13:11–17 (NKJV)

¹¹ Then I saw another beast coming up out of the earth, and he had two horns like a lamb and spoke like a dragon. ¹² And he exercises all the authority of the first beast in his presence, and causes the earth and those who dwell in it to worship the first beast, whose deadly wound was healed. ¹³ He performs great signs, so that he even makes fire come down from heaven on the earth in the sight of men. ¹⁴ And he deceives those who dwell on the earth—by those signs which he was granted to do in the sight of the beast, telling those who dwell on the earth to make an image to the beast who was wounded by the sword and lived. ¹⁵ He was granted power to give breath to the image of the beast, that the image of the beast should both speak and cause as many as would not worship the image of the beast to be killed. ¹⁶ He causes all, both small and great, rich and poor, free and slave, to receive a mark on their right hand or on their foreheads, ¹⁷ and that no one may buy or sell except one who has the mark or the name of the beast, or the number of his name.

Revelation 17:1–6 (NKJV)

¹ Then one of the seven angels who had the seven bowls came and talked with me, saying to me, “Come, I will show you the judgment of the great harlot who sits on many waters, ² with whom the kings of the earth committed fornication, and the inhabitants of the earth were made drunk with the wine of her fornication.” ³ So he carried me away in the Spirit into the wilderness. And I saw a woman sitting on a scarlet beast which was full of names of blasphemy, having seven heads and ten horns. ⁴ The woman was arrayed in purple and scarlet, and adorned with gold and precious stones and pearls, having in her hand a golden cup full of abominations and the filthiness of her fornication. ⁵ And on her forehead a name was written: MYSTERY, BABYLON THE GREAT, THE MOTHER OF HARLOTS AND OF THE ABOMINATIONS OF THE EARTH ⁶ I saw the woman, drunk with the blood of the saints and with the blood of the martyrs of Jesus. And when I saw her, I marveled with great amazement.

Sen. Cramer, Colleagues Introduce Resolution to Prevent President Biden from Ceding U.S. Sovereignty to World Health Organization

WASHINGTON — U.S. Senators Kevin Cramer (R-ND) and Jim Risch (R-ID) introduced a resolution to ensure the President does not cede U.S. sovereignty to entities like the World Health Organization (WHO) by ratifying global pandemic agreements without Senate approval.

"Any binding agreement with the World Health Organization should require Senate ratification as a treaty," said Senator Cramer. "The World Health Organization has proven itself incapable of holding the Chinese Communist Party accountable for its role in the COVID-19 pandemic. Relinquishing U.S. sovereignty to an international entity like this would dilute American excellence."

"The United States is a sovereign nation that cannot cede power to the deeply-flawed World Health Organization for any future health emergency. The WHO failed to hold China accountable for the global spread of COVID-19, which killed over 1 million Americans and thousands of Idahoans. Giving it power over any future health emergency affecting the U.S. would be a disaster with potentially deadly consequences," said Senator Risch. "This resolution makes clear the Senate must approve an international agreement – in any form – that requires new or expanded legal

Santa Clara County Superior Court Judge Orders Calvary Chapel San Jose To Pay \$1.2 Million

'The county as well as the state allowed a lot of 'essential businesses' to stay opened, but not this church'

By [Evan Symon](#), April 14, 2023 2:38 pm

In a ruling handed down on Thursday, Santa Clara County Superior Court Judge Evette D. Pennypacker ruled that the Calvary Chapel San Jose church is to pay \$1.2 million in fines stemming from breaking county COVID-19 restrictions during the pandemic.

During the height of the COVID-19 pandemic, when state and county orders forced churches to comply with lockdowns, limited indoor attendance and masking mandates, many churches openly defied restrictions. In California, Calvary Chapel Association churches were by far the most vigorous in defying bans. When a ban to stop all singing and chanting services came up in July 2020, **two of the three churches that sued Governor Newsom over the ban were Calvary Chapel churches.** Another Calvary Chapel church managed to defeat

The European Green Deal aims to make the European Union climate-neutral by 2050, a target supported by all EU institutions. With this objective, the EU takes a leading role in addressing the global climate emergency. Achieving the climate-neutrality goal requires massive investment and an unprecedented transformation of all sectors of the economy.

This study explains the physical basis of climate change and highlights its expected impacts on the EU. To give an overview of EU and international climate policies, it outlines international climate agreements, EU climate action and the climate policies of major economies. It assesses the coherence of EU climate policy with other policy areas and presents the financing of EU climate action through the EU budget and other instruments.

To assess the implications of the climate neutrality objective, the study analysis the challenges and opportunities for the EU economy and its impacts on issues such as international relations, migration, trade, consumers and health.

The final chapter addresses the issues facing European decision-makers and the outlook for European and global climate action in the context of the coronavirus pandemic.

After warning of religious 'attacks' on trans people, media avoid 'Christian' or 'transgender' in Nashville shooting headlines

Despite the loss of six lives at a Christian elementary school, not one of the nation's biggest newspapers used the words "Christian" in their headlines for the mass shooting in Nashville earlier this week.

The New York Times, The Washington Post, The Wall Street Journal and even The Chicago Tribune all avoided initially referring to The Covenant School as a Christian school after a heavily-armed woman — who was later identified as trans — forced her way into the school and killed six people, including three young children.

The shooter, later identified as Audrey Hale, 28, of Nashville, was a former student at the school and self-identified as trans, according to

Pause Giant AI Experiments: An Open Letter

We call on all AI labs to immediately pause for at least 6 months the training of AI systems more powerful than GPT-4.

AI systems with human-competitive intelligence can pose profound risks to society and humanity, as shown by extensive research^[1] and acknowledged by top AI labs.^[2] As stated in the widely-endorsed *Asilomar AI Principles*, *Advanced AI could represent a profound change in the history of life on Earth, and should be planned for and managed with commensurate care and resources*. Unfortunately, this level of planning and management is not happening, even though recent months have seen AI labs locked in an out-of-control race to develop and deploy ever more powerful digital minds that no one – not even their creators – can understand, predict, or reliably control.

Contemporary AI systems are now becoming human-competitive at general tasks,^[3] and we must ask ourselves: *Should we let machines flood our information channels with propaganda and untruth? Should we automate away all the jobs, including the fulfilling ones? Should we develop nonhuman minds that might eventually outnumber, outsmart, obsolete and replace us? Should we risk loss of control of our civilization?* Such decisions must not be delegated to unelected tech leaders. Powerful AI systems should be developed only once we are confident that their effects will be positive and their risks will be manageable. This confidence must be well justified and increase with the magnitude of a system's potential effects. OpenAI's recent statement regarding artificial general intelligence, states that *"At some point, it may be important to get independent review before starting to train future systems, and for the most advanced efforts to agree to limit the rate of growth of compute used for creating new models."* We agree. That point is now.

Therefore, we call on all AI labs to immediately pause for at least 6 months the training of AI systems more powerful than GPT-4. This pause should be public and verifiable, and include all key actors. If such a pause cannot be enacted quickly, governments should step in and institute a moratorium.

(CNN) — Some of the biggest names in tech are calling for artificial intelligence labs to stop the training of the most powerful AI systems for at least six months, citing “profound risks to society and humanity.”

Elon Musk was among the dozens of tech leaders, professors and researchers who signed the letter, which was published by the Future of Life Institute, a nonprofit backed by Musk.

The letter comes just two weeks after OpenAI announced GPT-4, an even more powerful version of the technology that underpins the viral AI chatbot tool, ChatGPT. In early tests and a company demo, the technology was shown drafting lawsuits, passing standardized exams and building a working website from a hand-drawn sketch.

The letter said the pause should apply to AI systems “more powerful than GPT-4.” It also said independent experts should use the proposed pause to jointly develop and implement a set of shared protocols for AI tools that are safe “beyond a reasonable doubt.”

Project 09852 'Belgorod' Special Mission Submarine

KC-139 Belgorod (KS-139 "Белгород") is an OSCAR-II cruise missile submarine which has been extensively modified to launch the new Poseidon (NATO: KANYON) strategic nuclear torpedo weapon. Additionally, it will serve as a Special Missions host submarine. It will be crewed by the Russian Navy but operated under GUGI, the secretive *Main Directorate Deep Sea Research* organization. In order to conduct covert special missions, it will carry a deep-diving midget submarines.

2M39 Poseidon (NATO: KANYON) Intercontinental Nuclear-Powered Nuclear-Armed Autonomous Torpedo

Belgorod will carry six 2M39 Poseidon (Посейдон) weapons, previously known in the West as 'Status-6'. These may target naval bases and coastal cities and, based on Russian MoD releases, also Carrier Battle Groups (CBGs). Poseidon is the largest torpedo ever developed in any country. It is approximately twice the size of submarine launched ballistic missiles (SLBMs) and thirty times the size of a regular 'heavyweight' torpedo.

6 x Poseidon launch tubes mounted under the casing but external to the occupied pressure hull. The exact arrangement has yet to be confirmed

UGST-M Heavyweight torpedo

The inner hull is based on the OSCAR-II Class cruise missile submarine. We can only speculate at the internal arrangement, but we can deduce that there will be four decks (5 levels)

Klavesin 2P-PM AUV

Belgorod can carry the Klavesin (Клавеин-2P-TM Корзичкорд) family of Autonomous Underwater Vehicles (AUV). These probably carry side-scan sonar and other sensors and can operate down to about 2,000m (6,000ft)

Pr.18270 Bester DSRV

A single Deep-Submergence Rescue Vehicle (DSRV) can be carried on a cradle and connected by an access trunk.

Shelf (ШЕЛЬФ) ATGU

The ATGU (Automated installation of the nuclear turbine generator) will be used to power underwater sensor network known as HARMONY

Carried on back in place of DSRV. Lifted into place by the Deep-Diving midget submarine

Two nuclear reactors. Likely OK-650V pressurized water reactors (PWR)

Losharik Midget Submarine

The Project 10831 submarine is known as Losharik (Лощарик), after a cartoon horse made of balls strung together. This is in reference to its spherical internal hull. On July 1st 2019 the submarine suffered a serious fire while operating from another host submarine, BS-64 Podmoskovye. 14 hydro-nauts died. The submarine is expected to return to service.

PALTUS Midget Submarine

The Project 18511 midget submarine is older and smaller than Losharik but can perform similar tasks.

AGS Deep-Diving Midget Submarines

The Belgorod will carry a nuclear-powered Deep Submergence midget sub, termed a deep nuclear station (AGS in Russian). They are operated by the Russian Navy for the Main Directorate of Deep-Sea Research (GUGI) and crewed by elite 'hydro-nauts'. These submarines dock with the underside of Belgorod and are used to place the ATGU and other payloads on to the sea floor down to about 1,000m (3,000ft). The 70m long 'Losharik' can be carried, or the 55m long PALTUS

¹⁵ “Therefore when you see the ‘abomination of desolation,’ spoken of by Daniel the prophet, standing in the holy place” (whoever reads, let him understand), ¹⁶ “then let those who are in Judea flee to the mountains.

Daniel 9:27 (NKJV)

Sir Jon Cunliffe said that it will become harder to spend physical money in coming years owing to the rise of online shopping and contactless payments.

He added that it is therefore essential for Threadneedle Street to press ahead with developing an electronic version of sterling – the so-called digital pound – which can underpin future confidence in the financial system.

Speaking at the Innovate Finance Global Summit on Monday, Sir Jon said: "Cash is likely to decline further and cash itself will become less useable in everyday transactions, for example if internet commerce grows and if merchants increasingly accept only digital payment."

It was Mohammed Shia Al Sudani's first foreign trip since he took office last month. The king received him at the airport, underlying the importance the two countries have placed on improving ties.

King Abdullah told Mr Al Sudani during talks between the two men that he wished for the Iraqi Prime Minister "to succeed in his missions", the official Jordanian news agency said.
