

The background features a dynamic explosion of fine particles. On the left side, there is a dense cloud of bright blue powder. On the right side, there is a dense cloud of bright red powder. The two clouds meet in the center, creating a dark, almost black area where the colors have mixed. The overall effect is one of intense energy and movement.

Remembering the Resurrection

Mark 16:1-8

"If Christ is not risen, nothing else matters. And if Christ is risen, nothing else matters."

Jaroslav Pelikan

“If Jesus rose from the dead, then you have to accept all that he said; if he didn’t rise from the dead, then why worry about any of what he said? The issue on which everything hangs is not whether or not you like his teaching but whether or not he rose from the dead.”

Tim Keller
