

## 2024 State of the Church Address

Word for the Year: **Deeper...** (higher)

Why: Goodness of God. Seeing God for who He is and what He's done.

1. **The Word** - A high view of the word of God brings strength to each discipline/rhythm. 1 Timothy 4:16 ***Pay close attention to your life and doctrine.*** Year of Scripture Memorization (see app). Read the Bible in a year.
2. **Prayer** - Communication with God through scripture fed prayer. Pray with us corporately Sundays at 8am and during both services; Thursdays at 12:00p. See [www.feathersoundchurch.com/prayer](http://www.feathersoundchurch.com/prayer)
3. **Community** - small groups. Fellowship is essential in Christianity. [www.feathersoundchurch.com/grow](http://www.feathersoundchurch.com/grow) Join one.
4. **Serve** - Serving others is the fast track to maturity.
5. **Sharing your Story** - Evangelism is simply sharing the good news of how Jesus changed your life and He can change their life too. Make it your goal to share your story with at least one new person this week.

### Grow Group Questions:

1. What are the obstacles to including these rhythms in my life?
2. How do I remove them and what can I do to make the rhythms a priority?
3. Is time an obstacle or is the problem a management of the time I have? Think about social media or how I engage with technology in my spare time.
