Colossians Ch. 4 - Living a Great Life and Raising a Great Family

Scriptures:

Colossians 4:1-18

Message (Big idea):

1. Kids watch better than they listen, set a good example
2. Life and parenting is tough, so pray
3. You need the support of good friends going the same direction
4. The best life is fulfilling your purpose on earth

Meditation (Think about it):

- Reading scriptures and regular church attendance really do help
- Joining a small group in Dome Life has immeasurable value
- Completing your life mission is a life without regrets

Motivation (What can I do):

Make a decision as a family what you will do; pray together? attend church? seek God to fulfill your purpose?

Write down a few prayerful thoughts about these things:

2. v. 2
3. v. 7
4. v. 17

When people are going different directions and run into each other its called a "wreck"
