## Adopt the attitude of prayer

- Acts 10:2— Cornelius shows the adoption of this attitude
- Prayer is an always attitude
  - ◆ The attitude of a carnal mind changes as we receive the Holy Ghost.
  - ◆ When we are in the world and adopting the attitudes of the world, our actions and tongue adopts a worldly lifestyle. When we receive the transformation of the Holy Ghost, we can allow Him to reprogram our subconscious mind.
  - ◆ Our hearts and mind will change as the Holy Ghost directs our adopted attitudes, for the ultimate concern in our life will regard pleasing Him.

## Meditate on good things

- Meditation is the fertilization of any seed.
- What seeds are we dwelling on?
  - ◆ This is the process of who will we become.
- When we delight in the law of the Lord and meditate in it both day and night— Psalms 1:1-3
  - ◆ The Spirit of the Holy Ghost cannot be present at the same time as a dwelling carnal mind.
  - ◆ He gives us free will so that we make take control of the thoughts and attitudes entering our mind.
  - ◆ Take captivity of our carnality and embrace The Living Word

**Allow the attitude of prayer to take precedence in our daily life, so that we may develop into who He has called us to become.**
