MISSIONARY UPDATE

THE SMITLEYS
FOUNDATION BAPTIST COLLEGE

October 2026

(Excerpts from a recent letter)

Dear Praying Friends,
We are so excited to update you on all that the Lord is doing and the ways we have been able to serve here in the States over the past month! We are glad to have you join us in prayer as we raise support to go to Edmonton, Alberta, Canada and serve the Lord at Foundation Baptist College, training Canadian nationals for church ministry. Thank you for partnering in prayer and financial support with us!

Over the past month we have been blessed to travel many miles from Michigan to Maine to South Carolina! We have greatly enjoyed the many churches we've been able to visit and the wonderful relationships we've been able to build. We are also thankful that the Lord has allowed us to participate in a variety of different church events and 2 different missions conferences. What a delight it was at the missions conferences to be able to jump in with music, kid's and ladies ministries, preaching, and presenting! We were so excited to have the opportunity to help out, be encouraged, and get to teach kids about missions. We love getting to jump in to a ministry and help in whatever way we can...and Lord-willing be a blessing along the way!

Daniel has enjoyed preparing sermons, communicating with pastors, preparing 3 presentations and a paper for his PhD class, reading many pages for class, and prepping for his first full class that he will be teaching at Foundation Baptist College in Edmonton the end of November! We are thankful for the Lord bringing him through some crazy weeks and giving him the strength and energy he needed for each day. Please pray that the Lord will give him the wisdom and ideas he needs to craft the class and that he would have peace about the class he is teaching. We are excited for the opportunity to travel back to Edmonton, and especially that Daniel will be able to fully teach a class for the first time! Meagan has continued with her part-time remote job and working on her counseling certification, while also working on random projects for Daniel. We are so thankful for the ability to travel and see so many different places, but are also thankful that we have a place to stay for the next 2 months and call home here in Greenville!

Right now we have meetings scheduled in the Greenville area over the next month and a half before taking a break in December. Pray for Daniel especially as he continues scheduling meetings for the winter/spring time, along with preparing for the class he will teach in a few weeks at FBC. As we look ahead with anticipation at what God is going to do, we hope that you will pray for us and consider partnering with us. We look forward to updating you and seeing God work and provide as we continue our travels!
