# MISSIONARY UPDATE

# THE BERASNGARS CHAD, AFRICA

August 2026

(excerpts from a recent letter)

Dear friends,

In this last several months we have been hard at work, as usual, making a home for an ever-growing number of children. The orphan problem is evidently much more severe than we had ever realized. Since we last wrote an update letter, we have added 9 more orphaned babies in great need (total of 33 presently). We have obviously had to make significant additions to our staff, to keep the children and their environment well-cared for. Please pray with us that our workers would be good & faithful, working always for the good of the children.

We have been very busy at work on various construction projects. Finding skilled work is always a challenge in a place like this, so Obed is doing a lot of the tiling, electricity and plumbing himself, which means that sometimes it is slow going! We have been renovating the mission house to make more room for the ever-growing number of children, while we wait for the large new baby house to be completed. We are also working on the ministry kitchen and bathrooms for the staff and visitors. Now we are trying to find quality materials as we look towards installing solar on all of our different buildings. Anyone skilled in solar installation that could take some time to come and help would be most welcome!

As we continue to grow and expand, we are really starting to feel the need of skilled, trained helpers to come alongside and join us in the work, even on a short-term basis. The needs are so many, that we can certainly not do everything and be everything that is required. We could really use a nurse of our own, to help us keep the children at home and out of the hospital, and to help us train our staff in vital first-aid readiness. We see the need for a teacher that can dedicate time to playing with the older children, singing, training, teaching. We need people who have construction skills who can help us with all our projects. We see the need for a pastor to lead a new church plant. We also already feel the need to build a home to house visitors that come to help with the ministry.

Will you pray with us about these needs? Would you also consider whether God might be asking you to say yes? Life here is fraught with challenges. It is true that we have to give up many comforts and find it hard to be far away from friends and family, but we can truly say that there is so much joy in serving Jesus. He gives us joy and peace as we lean on him to carry us through each difficulty and guide us in how to serve Him each day.

We want to again express our thanks to each individual and church who support this ministry. We can say that your financial giving has already saved and changed many lives, and we pray also that many souls will be saved for eternity because of our partnership in the gospel together.

In Christ,

*Obed, Lacy, Israel, Jemuel, Suzy & Reuben*
