July–September 2026

(Excerpts from a recent letter)

To God be all the glory! Because of your deep commitment and faithful support, children and teens had the opportunity to hear the Gospel, experience God's love, and make memories that we pray will stay with them for years to come. Through familiar Bible stories, we encouraged children and teenagers to discover what it means to obey God, trust Him, and love Jesus—even when following Him is difficult. Please continue to pray that the seeds planted during these camps will take deep root in every camper's heart, growing into a lasting faith that reaches their families, churches, communities, and beyond.

Through your generous support, The Tree of Life was able to partner in the teens camp held in Turkmenistan. This was a significant step of faith and a beautiful reminder that God is at work even in places where sharing the Gospel is extremely difficult. In a country where openly sharing the Gospel can be challenging, God opened a door for teenagers to gather, build friendships, study His Word, and hear the Good News. The camp was also a great encouragement to local believers. We pray that the seeds planted will take root and grow in the lives of these young people and the believers who faithfully serve them. What seemed like a difficult door for us was never too difficult for God. To Him be all the glory!

PRAYER REQUESTS

- Pray for Nermin and the volunteers to build healthy, trusting relationships with the women they visit, and ask God to guide their conversations with the right words.
- Pray for meaningful moments spent together, reinforcing our relationships. We ask that God renew our vision and deepen our commitment to serving families, believers, and our local communities.
- Pray for unity among our team, volunteers, and parents as we prepare our Christmas programs, share the Gospel, and welcome families. May God guide every conversation, open hearts to receive His Word, and offer encouragement to those in search of hope, peace, and truth.
- Pray for rest and encouragement for the families of Rut and Mostafa. They have faced a series of illnesses for several months. Additionally, let's ask for renewed physical strength and motivation as we prepare for the upcoming events.

The work of God is indeed a blessing beyond expression, and your commitment and partnership clearly demonstrate that His presence is active! We are thankful to serve alongside you and are trusting God for all that He will continue to accomplish through our partnership. "He who began a good work in you will bring it to completion at the day of Jesus Christ." Philippians 1:6

For His glory alone,

Antuan G.
