Finding True Joy and Peace in Your Problems

9/17/23

John 16:1-33

Dr. Greg Corbin

In John 15, Jesus has taught the disciples three key truths...

1. They were totally dependent on Him. John 15:5
2. They would face opposition in the world. John 15:18
3. They would receive the Helper (Holy Spirit). John 15:26

The BIG IDEA: No matter the circumstances, God is at work bringing people to faith and bringing joy and peace to His people.

Joy is _____ – it comes from JESUS.

Joy is something independent of outward circumstances, since it is grounded in God.
