Jesus is Praying for You

September 24, 2023

John 17:1-26

Dr. Greg Corbin

The BIG IDEA: Jesus is praying for us, so we must be people of prayer.

Five Ways Jesus is Praying for You...

1. Jesus is praying for you to _____ eternal life.

2. Jesus is praying for you to _____ for God's _____.

3. Jesus is praying for you to be sanctified by the _____.

• Believers are _____ saved and _____ sanctified.

4. Jesus is praying for you to live in _____ with other _____.

• Unity is not _____ (sameness)

• Unity is not _____ (human effort)

• Unity is our shared _____ in Christ.

**5. Jesus is praying for you to live _____
in this world.**

“Inward-focused churches always decline. Some more quickly than others. But spiritual navel-gazing always kills a church. People with a me-first mentality believe the church exists to meet their needs rather than a way for them to serve their community. When personal preferences are elevated above God’s mission, the church will turn inward, creating a culture of selfishness and entitlement.”
