October 29, 2023

John 21:1-23

Dr. Greg Corbin

THE BIG IDEA: When we have failed, Jesus seeks to lead us back to Him in restoration, humility, repentance, and obedience.

1. When we have failed, Jesus takes us back to where we _____ with Him. .

- Fished all night and caught nothing John 21:3 Luke 5:5
- Jesus tells them to let down their nets John 21:6 Luke 5:4
- They get a miraculously large catch John 21:6, 11 Luke 5:6

2. When we have failed, Jesus _____ us at a place of _____ and repentance.

3. When we have failed, there is as much _____ from Jesus as _____ from us.

4. When we have failed, Jesus calls us back to following Him in _____.

5. When we _____, Jesus calls us to leave other _____ up to Him.

“Facing up to oneself is a traumatic experience.”
– Gerald Borchert

Have you failed and struggle to get past it?

Have you sinned against the Lord and not sought repentance?

Have you regressed in any way spiritually?

When we have failed, Jesus seeks to lead us back to Him in restoration, humility, repentance, and obedience.

- Go back to where you began with Jesus.
- Jesus meets us at the place of humility and repentance.
- There is as much grace from Jesus as failure from you.
- "Follow ME..."
