### **Making Abraham's life personal....**

CALL TO \_\_\_\_\_: The Lord calls us to Himself from unexpected places and at unexpected times.

*“When Jesus calls us, he does not guarantee the future or even tell us what it will be like. He does promise that he will take us to be with him— which is the ultimate land.”*

- Kent Hughes

CALL TO \_\_\_\_\_: Hold possessions loosely and live with the end in mind.

CALL TO \_\_\_\_\_: Build your altar and call on the name of the Lord.

*“Abraham passed on—to other places and eventually to glory—but the altars remained. They remained as witness to the fact that in this place a child of God once knelt and prayed, proclaimed the gospel of grace, and claimed that spot for God's glory.”*

- James M. Boice
