GOD KEEPS ME SAFE

I Shall Not Fear

Lesson 12

With a blue crayon, circle the things that scare you sometimes. With a red crayon, circle the things that scare you all the time. Cross out the things that don't scare you at all.

OPEN OUR EYES

We want God to open our eyes to show us how he keeps us safe. In the blobs on the left, draw some things that you are afraid of. On the right, draw God keeping you safe from your fear.
