

Discipleship Evaluation

Disciples: Who are the people that you are currently discipling? Please fill out one of these forms for each of your disciples.

1. **Goal:** What is the goal of your discipleship?
2. **Involvement:** Describe how you are involved in the life of your disciple?
3. **Development:** Describe how you are developing your disciple in the following:
 - a. **Conviction:** how are you helping him grow in truths that grip him to live a Christ-centered life?
 - 1) Are you teaching him through a specific book or curriculum? If so, what?
 - 2) How often do you meet with him for this specific training?
 - 3) Have you given your disciple a vision for how he can be equipped through the teaching ministries of the church? Do you know what his conviction is of how he gets equipped through the ministries of the church?
 - b. **Competence:** how are you helping him develop his spiritual gifts in serving others?
 - c. **Character:** how are you helping him become more like Christ? How is he doing in his walk with God? Do you know his struggles, discouragements, or advancements? How is his marriage, family, work?
 - d. **Care:** how have you seen him grow in love toward others, his family, and the lost?
4. **Vision:** How are you giving your disciple vision?
 - a. How are you challenging him to grow in Christ, in his family, in his ministry?
 - b. What vision are you giving him for his future ministry? What can you see him become?
 - c. How are you challenging him to take the next step? Do you know the next step for your disciple?
5. **Evaluation:** Contemplating your answers to the above questions, are there ways you can be more purposeful with your discipleship? Are there areas you need to improve?
 - a. Write out some goals to improve your discipleship.
 - b. For each goal, write out specific action.
