SCRIPTURES

- Ephesians 3:20
- James 1:22-25
- Romans 12:1-2
- Matthew 7:24-27

Practical & Reflection

- This transformation requires a response of obedience to His leading, which ultimately leads to God's glory and our joy. Believing is fine, intending to is fine, but it's actually what you do that makes the difference. The application makes all the difference.
