

THE WATCHMAN ON THE WALL 2021WON

*“You will not need to fight in this battle. Position yourselves, stand still and **watch** the salvation of the LORD, who is with you.”*
2 Chronicles 20:17

We are in the season of “watch.” This season started in 2017 and will last through 2022. This season of watch is, and will continue to be, **marked by chaos in the natural realm and great spiritual signs and wonders in the supernatural realm.** Many believers will be dismayed by the chaos. Only those who are prepared for the coming of the Lord will remain strong and determined. We are in a *kairos* moment in time. The trumpet is already blasting from the heavenly realm and those who **watch will perceive it** and announce it in the natural realm.

POTUS IS A SIGN

President Trump, by name and purpose, is a sign to us of the trumpet of God that is already blasting from the heavenlies, but only those who can watch are hearing it. The results of this election will only demonstrate the condition of faith in the earth. If the trumpet is not heard in the natural realm and set in authority in the natural realm that does not mean that it is not being announced in the heavenlies.

A WAKE UP CALL

God is awakening His church and increasing the bandwidth among His people. The faint sound of a distance blast will become the sound heard around the world. The heavens will continue to sound the trumpet in one way or another, until it is heard by all! So do not lose heart and do to allow the deafness of the natural realm to make you deaf again. Keep listening and keep watching and keep declaring, though many are not listening and cannot hear and will mock you for it.

THE INVISIBLE KINGDOM BEING MADE VISIBLE

Do not stop watching what is being seen in the spiritual dimensions regardless of whether or not it manifests in the natural realm. The natural realm does not prove the spiritual realm. For the visible was made by the invisible. Many before mentioned in the Word of God did not see what was promised in their lifetime. Your faith in the invisible Kingdom is causing it to manifest in the visible realm. The Kingdom is being established tangibly in the earth. The glory of God has been pervasive but subtly seen during the church age, but we are embarking on the dawn of the Bride. God's fortress in the earth is manifesting. God's kingdom has a wall of His own. He is a refuge. He is building that wall higher and higher to protect those who run into it! God is building the wall of His kingdom through our faith!!! Those who can see the city manifesting will be protected. They will watch the salvation of God manifesting within its borders in the earth. Those who do not want to refuge in God and who do not want His safe borders, will not perceive the Kingdom in the earth at all! President Trump's first term has been a battle for the walls of protection and he has been fought by the forces of hell to prevent the wall from manifesting. The culture of the earth wants no boundaries, no womb that is safe from their judgement. The blurred vision of sin and self-righteousness is stealing identity and birthrights. They are trading with death and dying for it.

THE BATTLE FOR UNITY

Sound the trumpet for those in the earth who want to see the kingdom and run into its borders. Do not be distracted by the many who will not see and call you a liar and a hater. Stand. Stand together. The battle for those who are awake is unity. The enemy is sending demonic forces assigned to cause disunity in the ranks of those who can see the Kingdom. The Spirit of disunity is building a wall of separation among the people of the Kingdom, this is the demonic purpose of the pandemic. Repent and align with your ranks. Prioritize unity, huddle together and gain strength for your next assignment. Do not be deceived by the lies that create disharmony. Guard your hearts fiercely from self-promotion, self-condemnation and self-ambition, for these things open the door for chaos and blind the eye from seeing the Kingdom of shalom. You are at war, but your weapon is rest. Fight *from* victory not *for* it. Fight with peace not to gain it. Let your heart fully trust in God's ability to keep you safe from deception. If you seek to keep yourself you will surely succumb to the folly of pride and pride goes before the fall. This is the season to watch. The watchers are not only on the wall, but like the days of Nehemiah, you are building the wall. Soon the Kingdom will be established in a tangible way and its authority will invade the earth. Get ready for the invasion by learning to watch on the wall. The invasion is coming in 2023 in a home near you!

WATCH AND SEE

To **watch** means to perceive, to have vision, to discern and to distinguish. God is looking to increase our bandwidth. He wants us to function from our seat in heavenly places.

We must embrace the Perhaps of life

Like Shadrack, Meshack and Abednego, we must be like the three boys in the fire. God will deliver me, but if He doesn't, I am going in. Fail on the side of faith not fear.

This kind of watch demands that we take our position.

Who are you in Christ? What are your gifts? What is your assignment? No excuses. We are called to be soldiers who are not entangled in the affairs of every day life. 2 Timothy 2:4 (NASB) says, "No soldier in active service entangles himself in the affairs of everyday life, so that he may please the one who enlisted *him*."

This kind of watch takes the ability to stand still.

He that dwells in the secret place of the Most High shall abide under the shadow of the almighty and say of the Lord He is my refuge.

This is the authority that comes through resting in the Lord as our refuge. The refugee or fortress of God is starting to manifest in the earth in a tangible way. We have been forerunners to this manifestation as we have focused on the secret place since our inception. It is not passive or aggressive. It is being in two places at once. Functioning from the glory realm, seated with Christ. Not the faith realm, trying to convince God through our faith.

SHAMAR PROPHETS

Chuck Pierce announced in 2019 that God is raising up *shamar* prophets. These are the watchers on the wall who can perceive, discern, and distinguish the truth amidst the chaos.

This kind of watch demands that we announce the kingdom and sound the alarm from the refuge. But, it is not our responsibility to make them run into it. We must guard our hearts from needing the results and making that our purpose. This is the decade of *pey* where we are responsible to announce the coming of the Kingdom. The announcement is establishing the visible, tangible presence of the Kingdom. Once it is fully established and the wall is built, its authority will invade the earth tangibly.

WALL BUILDERS

Nehemiah wept when he realized the temple had been built without the wall leaving it vulnerable.

The temple is where God declared His laws, but the gates of the city wall is where civil law was executed. God is building the wall so that His law will invade civil law again!!

“The more economically and culturally developed a city was, the greater the value of things in the city, and the greater the need for the wall. The temple, with its rich decorations, would have been particularly at risk. Practically speaking, no wall means no city, and no city means no temple.” (Theology of Work, Bible Commentary)
