

How to Keep Hope Alive

1 Corinthians 6:12-20

DISCUSSION GUIDE:

1. Discuss three ways to walk in God's Spirit. Give examples of how to accomplish each.
 - Love
 - Light
 - Counsel
2. The Holy Spirit can help us to make God glorifying choices in our lives. Discuss how God's Spirit leads and how we should follow His Spirit.
3. 1 Cor. 10:31 is a good summary of how to determine if it is the Spirit we are hearing or our own desires. List two features of a Spirit led urging. Discuss how you have come to distinguish between the Spirit's voice and competing voices.
4. Proverbs 15:22 states "Without counsel plans fail, but with many advisers they succeed." Can you identify four or five more verses about wise council? Try to find three of these verses outside of Psalms or Proverbs.
5. Walking in godly counsel is important; read 1 Thessalonians 2:13, Ephesians 4:16, and 1 Corinthians 13:5. Identify the three or four attributes of a godly counselor.
6. How might you use the techniques that have been taught to assist a non-believer when they ask for your counsel?
