DISCUSSION GUIDE

1. Why is it important for us as a church and as followers of Jesus to take time to re-focus on our mission, purpose, vision, values and strategies as disciples of Jesus?
2. When you think about having a desire to change your world how do you feel? Do you see yourself as a change agent? If so, why or why not? Read Matthew 28:18-20. How does this inform how you could change your world?
3. As a church our values are to honor Jesus, to love people, to live generously and to live with joy. As you think about your life right now, which are these areas do you see being lived out in your life? Which need some focus and attention?
4. Loving, Growing, Serving and Sharing are qualities of a growing follower of Jesus which we practice personally and corporately as a church. What activities should be a part of our daily and weekly life that help us move forward in each of these areas?
