DISCUSSION QUESTIONS

1. Over the last several weeks we have been studying “Why Church Matters” for disciples of Jesus. What has God shown you as a result of this study?
2. Read over Paul’s prayer in Ephesians 3:14-21. What are some of the goals of the church that we see in this passage?
3. We heard in the sermon this weekend that we need others to help us fully understand God’s love and His desires for our life. Why do you think this is? How has being a part of a church helped you grow in this understanding?
4. How does your own personal spiritual health impact your ability to be encouraged and to encourage others in their walk with God?
5. Is there a specific step that you need to take this week which will allow you to live life “grasping, living in and resting on the love of Christ together?” If so, what is that step and how can your group help you move forward with that step?
