

## DISCOVER CHURCH

1 Peter 2:9-12

The Point: The church is a strange people, exiled, traveling, and longing together for a home they've never seen.

### DISCUSSION GUIDE:

1. If you were explaining what the church is to a non-believer, how would you explain it?
2. If you are looking at the church, God's people, as an outsider or non-believer, what are the things that you notice? What would stick out to you? Asked another way, what do non-believers see when they look at Christ-followers?
3. What are some times in your life where you've really looked forward to eternity?
4. What surprised you about this text? This sermon?
5. How does this text challenge you to act in the home, at work and other places in the community?
