

THE CENTER GROVE WAY | PART 2

THE POINT: Mission, Purpose, Vision, Values and Strategies of Center Grove

- 1. God has given us the rhythms of rest, work, connection and celebration. Which of these come natural to you? Which are hard for you?
- 2. How are these rhythms gifts? How can these rhythms be distorted by our own sin?
- 3. What rhythms can we better adopt as a group? How can we encourage these rhythms during our group time?
- 4. We live a life of rhythms OR we will live a life of ruts. What are some ruts that need to be eliminated from your life? How does the gospel give you grace and motivation to adopt rhythms and remove the ruts?
