### The Journey from Grief and Hurt to God And Hope

Lamentations 3:16-26

#### DISCUSSION GUIDE

1. The apostle Paul knew loss during his ministry. Read Philippians 1:13-14, Philippians 3:20-21 and Romans 8:18 and talk about the process Paul used to find hope.
2. Because God is our portion, we can hope in Him. What does it mean, that God is our portion? Refer to Psalm 73:23-28. Contrast the circular meaning of the word hope to the biblical meaning of the word hope; use Romans 15:12-13 as a primer.
3. What does waiting on God look like in your life? How might you make this a productive time of waiting?
4. 2 Corinthians 5:18-20 talks about us as believers being ambassadors. What are some of the characteristics of an ambassador generally and an ambassador of hope specifically?
5. List ways you can give your hope away to believers, to non-believers.
