

THE BATTLE AND THE DEVIL OPPOSING US PART 2

1 Peter 5: 6-11

We will continue this week looking at who Satan is, how he works and how we overcome him.

SCRIPTURE FOR FURTHER STUDY:

James 4:6-10 | Psalms 18:27, 25:9 | Isaiah 66:2

DISCUSSION GUIDE:

1. We see in this passage that humility is a key weapon in fighting the attacks of Satan. How do you define humility? How does humility differ from weakness? Why is humility a key weapon in our lives?
2. 1 Peter 5:7 reminds us to cast our anxiety and cares on God because He cares for us. This would imply that cares and anxiety are one of the ways that Satan attacks us. Have you found that to be true? How does casting our cares relate to humility that is mentioned in verse 6?
3. 1 Peter 5:8 tells us to be sober minded and alert to the work of the enemy. Over the last few weeks have you been more aware of the work of the enemy in your life? What steps did you take or can you take to stay alert and sober minded?
4. Verse 10 implies that as we fight the battle we will be changed, restored, confirmed and strengthened. Are there areas of your life that you have seen this happen as you have consistently been alert to his work and cast or given your cares to God? What victories have you seen? (even though we are not yet perfect)
5. Read the Lord's Prayer in Matthew 6: 9-13. How does Jesus' teaching on prayer help us in fighting the enemy each day?
