DISCUSSION QUESTIONS

1. As believers, we tend to over-emphasize or under-emphasize the work/role of the Holy Spirit. But clearly, His role is significant—He is God! In John 16:7-15, Jesus said it was to our advantage that He leave and send the Holy Spirit. Why did Jesus have to leave? Why is it to our advantage to have the Holy Spirit?
2. What is the role of the Spirit in the world, and how do we experience Him? How does He convince people what is right and wrong? Has the Spirit ever convicted you of sin? How did it feel? Has He ever convicted you about making judgments? How did you respond?
3. How does the Holy Spirit “guide [us] in all the truth”? How can you know if you are being led by the Spirit or something else?
4. What can we learn from understanding that the Spirit has a role in the Trinity? What is His role? How does His role serve as an example for us?
5. According to Galatians 5:16-18, 25; why is it paramount for the believer to walk by the Spirit? Why are you not under the law if you live by the Spirit? How can you be led by the Spirit?
