2 Samuel 11:1-3

DISCUSSION GUIDE:

1. Coming out of the pandemic, how has the past 2 years affected your guard against isolation, boredom, and temptation?
2. In what areas of your life are you tempted to isolate (ex. emotional issues, sin struggles, relational strife)?
3. How does knowing that David – the great and mighty kind of God’s people – so easily fell short give you a greater perspective on the goodness of Jesus?
4. What are the major places you’ve seen yourself be tempted time and time again? In what places are you “letting yourself off the hook”?
5. We live in an age where everything can be optimized and formed around our comfort. How did David deal with comfort? On the contrary, how did Jesus deal with comfort?
6. To repent is to “turn away” from sin – which is exactly what David commits to in Psalm 51. What do you need to confess? With that barrier removed, how will you continue growing closer to Jesus? How will you use your past mistakes to share the story of Jesus with others?
