

The Power of Hope

Hebrews 6:11-12

DISCUSSION GUIDE

1. The author of Hebrews, in verse 11, speaks of "hope." As Christians what is our assurance of hope? What other things do people see as their assurance of hope? Discuss how these things fall short.
2. Verse 11 has the sense of a continuous process, not just a one-time event. What are some things we can habitually do to keep our focus on this hope/Jesus?
3. In verse 12 the writer gives the negative example of being sluggish/unreceptive then gives an encouragement to imitate believers that "inherit the promises." Name some examples of how we as Christians can become sluggish in our faith. What do you do to stay receptive to God's work in our lives?
4. Since Christ has saved us, what do you view your responsibility towards Him to be? Describe what that looks like in your life.
5. In 1 Corinthians 11:1 Paul says "Be imitators of me, as I am of Christ." What are some of the things in Paul's life we should imitate as we follow Jesus? Think of some people in your life that have these characteristics.
