

FINDING  
GOD

# “Finding God In The Hurt”

**Sometimes godly people  
endure great pain.**

# Sometimes godly people endure great pain.

- Our own choices may not be the cause of that hurt
- We may not know why God is allowing the hurt.

**God can be found  
in the hurt.**

# God can be found in the hurt.

- God is still there and still God.
- God has reasons for allowing hurt.
- God wants us to worship Him for who He is, not just for what He does.

**Let our team pray for you this week!**
