**1 Samuel 28:3–25 | The Witch of Endor**

1. Compare 1 Samuel 28:6 and 1 Chronicles 10:13-14. Do these verses contradict each other about Saul seeking the Lord?

2. Is there a kind of “seeking the Lord” that is not *truly* seeking the Lord? How are we sometimes guilty of this today?

3. Quote from the sermon: “If we won’t turn to God, we will inevitably turn to something else.” How do we see that from Saul in this story? How do we see that play out in people’s lives today?

4. How does this story remind us of the importance of waiting on the Lord and continuing to trust Him, especially when He seems distant? (Read and reflect on Psalm 13. What can we learn from how the Psalm starts vs. how it ends?)
