John 20:24–29 | "Doubting Thomas"

1. Based on what we read about Thomas in John's gospel (in this passage, as well as John 11:16 and John 14:5), how would you describe his personality?

2. What were the conditions Thomas placed on his willingness to believe? In what ways are we tempted to negotiate or barter with the Lord? When we do this, what are we failing to understand?

3. How does Jesus speak to Thomas? Is his tone tender, rebuking, or both? What does this exchange with Thomas teach us about the person of Christ, and how he relates to us?

4. How does this passage encourage believers who may struggle at times with doubt?
