

# Digging Deeper Study Guide

## Hebrews 1-10

### Brief Summary:

In this week's episode, Brian kicks off our time in the book of Hebrews, showing how Jesus is greater than all the figures of the Old Testament—Moses, Abraham, and others—who themselves were looking ahead in faith to His coming.

Brian also explores the truth that Jesus and God are One—that Jesus is the exact representation of God and the final, ultimate revelation of Him to humanity.

He encourages us to be people of the Word, to read and meditate on Scripture so that our lives are like trees planted by streams of water, bearing fruit in every season. At the same time, he challenges us not to limit Jesus' communication to the Bible alone, but to pursue a real, ongoing relationship with Him marked by intimacy and connection.

### Study Questions:

1. John 10:3-5, notice what Jesus says about the shepherd and his flock. What stands out to you?
2. If you are struggling to recognize Jesus' voice, ask Jesus to speak to you in a way you can understand him.
3. What is the difference between walking with passion versus walking in authority?

### Suggested Prayer:

Jesus, you hold all things in your hands, and you are the creator and sustainer of all things. Thank you for holding me in your hands as well. Who am I that you are mindful of? Jesus, would you tell me what you think of me today? May I hear what you say and receive it?
