

Digging Deeper Study Guide

Numbers 21-30

Brief Summary:

In this week's episode, Mickey highlights God's nature as He sovereignly leads, protects, and provides for His people while preparing them for the Promised Land.

Mickey takes a deep dive into the story of Balaam, whom Balak hired to curse Israel. Yet instead of cursing them, God commanded Balaam to bless Israel and pronounce judgment on the Moabites.

He also explores how God's plans are always best, how He is not limited in the ways He speaks to us, and how His voice calls for obedience when He speaks.

4. How do you think Moses felt as he consecrated Joshua to become Israel's next leader?

End your time in prayer to God our Father, to the Holy Spirit, and to our Lord, Jesus Christ.
