Digging Deeper Study Guide
2 Kings 5-14

Brief Summary:

In this week's episode, Teddy explores what we should do when we face situations that seem overwhelming. How do we find peace in the midst of chaos, let alone joy?

He then highlights the spiritual battle raging on earth and reminds us that the God of Angel Armies is fighting on our behalf, even when we cannot see what He is doing.

Teddy finishes by challenging us to ask God to open our eyes to see how He is at work on our behalf and to rest in the truth that He is greater than any foe we face.
