

Digging Deeper Study Guide

Brief Summary:

In this week's episode, after drawing attention to key moments in the readings, Mickey reflects on how God reveals Himself to the Israelites as their Deliverer, Provider, Protector, Sustainer, and ever-present Guide.

He then explores how God leads His people out of the chaos of Egypt, bringing order to their lives and setting them apart as His treasured possession—an example to the nations around them.

Finally, Mickey examines the transformation of Moses, tracing how God patiently shapes him from a fearful excuse-maker into a bold and faithful leader of a nation.
