

prepare for next week...

Potluck & Sharing

Women of Peace,

John Dewey says, "we do not learn from experience...we learn from reflecting on experience." Next week we will be ending our term with a potluck and sharing. You are invited to offer something God has done in your life through the study of 1 John, the Examen, Listening Prayer or whatever you feel inclined to share. Reflecting and sharing on what God has done is both edifying to our personal growth, but also the body of Christ. You will find sign ups for the potlucks below and information about our Wintering Mini Retreat in January. I look forward to this closing time together!

Peace,
Tina Gaines
