Learner's Exchange

This Sunday after service

This Sunday after service, join us for a time of learning and enrichment at our first Learner's Exchange. This will begin a series of one-off classes on various areas of expertise or interest by folks in our congregation.

11/15- "Time and Space" Fr. Billy
11/22- "Serving at the Altar: Instruction for Altar Guild and Eucharist Ministers" Dcn. Sam

We're not able to offer childcare at this time, but children are welcome to join the class or play in the fellowship area/outside during class.

Advent and Christmas Decorating Committee

As we approach Advent and Christmastide, we are looking for a handful of folks who would be interested in collaborating and decorating our worship space!

If you are interested, please reach out to tina@copaspokane.org!

Advent Activity:

Block Printing Workshop, 12/5 1-3pm

Join us for an afternoon of festive fellowship, food, and crafts.

Carve out your own unique stamp for a special Christmas card. This workshop is taught by local artist, Lauren Adams (Jodi & Doug Hammerstrom's daughter). Supplies will be provided and you will walk away with 5 stamped cards.

Space is limited, so sign up today HERE or with the button below. All proceeds will go to support Lauren. Text Jodi with any questions.

Thanksgiving at COPA

Last chance to sign up!

COPA leadership is considering options for ensuring everyone in our congregation has someone to share a Thanksgiving meal with. Though there aren't solid plans underway, we'd love to hear from you to gauge the need in our congregation to help us plan accordingly. If you'd love to be hosted or would like to extend an extra invitation to your Thanksgiving festivities, please fill out the brief form HERE (in App) or with the button below by Tuesday, 11/17.
