RESCUE

“Rescue Partners!”

“We Must Work Together To Rescue The World!”

“The Lord...does not want anyone to be destroyed, but wants everyone to repent.” - 2 Peter 3:9

SAY:

We live in a **BIG** world! There are a **LOT** of people - and many of them really need to be rescued from the trap of sin and its eternal consequences.

For kids, hearing the **HUGE** responsibility of the Great Commission to go into all the world to share the Good News of Jesus can be a little scary and overwhelming!

However, we don't have to do it alone! We can't reach the world and rescue everyone from the trap of sin on our own. That's where the power of partnering with missionaries comes in. Missionaries are people who God has called to leave their homes and go all around the world to share Jesus with others so they can be rescued from the trap of sin.

Even though we live in a **BIG** world, when we partner with missionaries, our rescue partners, the whole world can be rescued from the trap of sin!

DISCUSS:

- Is it possible to be a rescue partner as a kid?
- What can we do to partner with missionaries around the world as they help rescue people from the trap of sin?

PRAY:

Spend some time praying for the missionaries that your church supports. Pray that God will protect them, bless them, and help them to reach and minister to so many people who need to be rescued from the trap of sin.
