Healing: Does God Still Heal?

“God Still Heals, And He Knows What I Need!”

“...for I am the Lord who heals you.” - Exodus 15:26

Say:

Jesus was a powerful man of miracles. While he was on Earth, Jesus did many miracles of healing: the blind, the deaf, the lame, and more.

Read:

John 5:1-15

Ask/Discuss:

- What was wrong with the man in this Bible Story?
- What did legend say would come by and stir the pool so people could be healed?
- Why did the lame man say he wouldn't be able to get well?
- What happened when Jesus told the man to get up?
- Was the man totally healed?

Say:

The question is - does Jesus still heal people even today? The answer is YES! God's power is still able to heal sickness, disease, and even emotional hurts and scars. Jesus is able to heal every issue we face. Jesus knows exactly what we need even before we ask. Jesus already knows what you need and is ready and able to heal you.

Ask/Discuss:

- What are some miracles you have seen in your life?
- What are some things that we can be healed of?

Pray:

Pray with your children if they are facing sickness or are in need of some kind of healing. You can also pray for a friend or family member who needs to be healed. Pray that God would heal their bodies, hearts, and minds like only He can do!
